Application

Applicable to all customer classes except state agencies, as defined in Texas Utilities Code, Section 101.003.

Monthly calculation

Company will charge a surcharge to recover pipeline safety fees assessed by the Commission pursuant to Section 121.211 of the Texas Utilities Code and Commission Rule 16 TAC § 8.201. The surcharge will be charged not more often than once a year and will be billed following payment by the Company to the Commission, in accordance with the Commission's rules.

The surcharge:

- (a) Shall be a flat rate, one-time surcharge;
- (b) Shall not be billed before the operator remits the pipeline safety program fee to the Commission;
- (c) Shall be applied in the billing cycle or cycles immediately following the date on which the operator paid the Commission;
- (d) Shall not exceed \$0.50 per service or service line; and

No later than 90 days after the last billing cycle in which the pipeline safety program fee surcharge is billed to the customers, each operator of a natural gas distribution system shall file with the Commission's Gas Services Division and the Pipeline Safety Division a report showing:

- 1. The pipeline safety program fee amount paid to the Commission
- 2. The unit rate and total amount of the surcharge billed to each customer,
- 3. The date or dates on which the surcharge was billed to customers; and
- 4. The total amount collected from customers from the surcharge
