The Company has the right to contract with individual customers for the installation of gas facilities. Upon the request of a prospective new customer for service in an area served by SiEnergy, LP, SiEnergy, LP will extend its main lines up to 100 feet from an existing SiEnergy, LP main in the Public Rights of Way, without charge. The 100-foot allowance applies to a single customer or to a group of customers requesting service from the same extension. Customers requesting mainline extensions in excess of 100 feet shall bear the actual cost of any additional mainline, the cost of all yard and service lines, and the cost of any appurtenant equipment and other costs necessary to install the extension, including applicable overhead charges. In addition, the Company will charge the applicable tap fee as provided for in Rate M – Miscellaneous Service Charges. SiEnergy, LP is not required to extend its mains or facilities if the customer will not use gas for space heating and water heating, or the equivalent load, at a minimum.
